About IMImobile PLC

IMImobile is a cloud communications software and solutions provider that enables companies to use mobile and digital technologies to communicate and engage with their customers. We believe that mobile will sit at the heart of customer engagement strategies for years to come.

By removing the barriers and complexities to create and deploy mobile-led customer engagement solutions as part of a multi-channel framework, we help organisations to improve customer experience, simplify business processes and enhance operational efficiency.

Organisations that trust us to deliver smarter mobile customer engagement include Vodafone, O2, Telefonica, Aircel, Airtel, EE, BSNL, AT&T, MTN, France Telecom, Centrica, Universal Music, Tata, the AA, the BBC and major financial institutions.

IMImobile is headquartered in London with offices in Hyderabad, Atlanta, Dubai and Johannesburg and has over 780 employees worldwide. IMImobile is quoted on the London Stock Exchange's AIM market with the TIDM code IMO.
